Large Government Entities

Dues for large government entities such as school districts, city governments, universities, military bases and others shall be by agreement of contract. These agreements may use the in-area business rate structure or some other agreed upon amount. Factors to consider include services provided by the Chamber to the organization or the desired support level that the organization may wish to contribute to the Chamber. All contracts and agreements prior to implementation will be reviewed by the membership committee and submitted to the Board of Directors for approval.

Trades-in-Services

All requests for trades-in-service will be reviewed by the membership committee and shall be submitted to the Board for approval. The application for trade in service will include the following information:

- The business' scheduled membership dues
- The service being provided, including the frequency of the service and the calculated value of each service, or,
- In the case of ongoing work that will exceed membership dues, then a brief description of the work to be performed will suffice.

Any business failing to provide the specified services will be liable for any dues amount remaining and will be invoiced.
